

National Assistive Technology Resources for Persons Who are Deaf or Hard of Hearing

Hearing Loss Organizations and Associations

- American Academy of Audiology (AAA): call 800-222-2336 www.audiology.org
- American Cochlear Implant Alliance (ACI): call 703-534-6146 www.acialliance.org
- American Society for Deaf Children (ASDC): call 800-942-2732 www.deafchildren.org
- American Speech-Language-Hearing Association (ASHA): call 800-638-8255 (V) 301-296-5650 (TTY) www.asha.org
- American Tinnitus Association (ATA): call 800-634-8978 www.ata.org
- Association of Adult Musicians with Hearing Loss (AAMHL):
musicianswithhearingloss.org/wp
- Association of Late-Deafened Adults, Inc. (ALDA): call 815-200-9339 (V) Dial 711 for TTY
www.alda.org
- Association of Medical Professionals with Hearing Losses (AMPHL): www.amphl.org
- Center for Hearing and Communication: call 917-305-7700 (NYC) 954-601-1930 (Florida)
www.chchearing.org/
- Department of Health and Human Services, Centers for Disease Control and Prevention (CDC)
 - o NIOSH Hearing Loss Simulator
 - <https://www.cdc.gov/niosh/mining/works/coversheet1820.html>
 - <https://www.cdc.gov/niosh/mining/content/hlsoundslike.html>
 - o [Noise-Induced Hearing Loss: Promoting Hearing Health Among Youth](#)
- Hearing Loss Association of America (HLAA): call 301-657-2248 www.hearingloss.org
- Laurent Clerc National Deaf Education Center at Gallaudet University:
clerccenter.gallaudet.edu/
- National Association of the Deaf (NAD): call 301-587-1788 (V) 301-810-3182 (TTY)
www.nad.org
- National Black Deaf Advocates (NBDA): www.nbda.org
- National Institute on Deafness and Other Communication Disorders (NIDCD):
www.nidcd.nih.gov
- Job Accommodation Network (JAN): <https://askjan.org/disabilities/Deafness.cfm>
- Assistive Technology Industry Association (ATIA): www.atia.org

Assistive Technology

Assorted Equipment

- **Diglo:** call 800-825-6758 (V) 952-388-2152 (VP) <https://www.diglo.com/>
- **Learning, Sight and Sound (LS&S):** call 800-468-4789 <https://lssproducts.com/>
- **Maxi Aids:** call 800-522-6294 <https://www.maxiaids.com/>
- **Independent Living Aids (ILA):** call 800-537-2118 <https://independentliving.com/>

Video Relay and Remote Interpreting

- **Purple:** video relay service, video phones and video remote interpreting - call 800-618-2418 www.purplevrs.com // <https://signlanguage.com/vri/>
- **Convo:** video relay services and remote interpreting – call 510-629-5622 (VP) <https://convorelay.com/>
- **ZVRS:** video relay services – call 888-888-1116 (English VRS) 866-710-4652 (Spanish VRS) 800-618-2418 (VRI) <https://www.zvrs.com/>
- **Sorenson:** video relay services and video phones - call 866-756-6729 (V) 801-386-8500 (VP) www.sorenson.com
- **Global VRS:** video relay services - call 877-326-5457 (V) 888-472-6778 (English VRS) 888-472-6768 (Spanish VRS) <https://globalvrs.com/>
- **AMN Healthcare:** video remote interpreting - call 727-451-9766 www.amnhealthcare.com/language-services/
- **CyraCom:** video remote interpreting <https://interpret.cyacom.com/>
- **Linguabee:** offering free remote interpreting services for COVID-19 testing – call 855-585-5859 <https://www.linguabee.com/covid19/free-vri>
- Can use other video conferencing platforms such as Zoom and FaceTime between an interpreter and a deaf or hard of hearing patient in the event traditional VRI services will not work

Captioning and Speech-to-Text

- **Purple:** CART services – call 866-669-7707 <https://signlanguage.com/cart/>
- **ZVRS:** CART services – call 866-669-7707
- **WebCaptioner:** real-time captioning in multiple languages in browser <https://webcaptioner.com/>
- **Ava:** live captioning in multiple languages for various devices <https://www.ava.me/>
- **Microsoft Translator:** live captioning in multiple languages for various devices <https://www.microsoft.com/en-us/translator/>
- **Google Live Transcribe:** live captioning in multiple languages on Android smartphones <https://www.android.com/accessibility/live-transcribe/>
- **Otter:** live captioning for various devices <https://otter.ai/>
- **InnoCaption:** App for real-time captioning of phone calls <https://www.innocaption.com/>
- **ClearCaptions:** iOS app for real-time captioning of phone calls – call 866-868-8695 <https://clearcaptions.com/>
- **Hamilton Captel:** app for real-time captioning of phone calls – call 877-455-4227 <https://hamiltoncaptel.com/index.html>

Captioned Telephones

- **Captel:** call 800-233-9130 <https://www.captel.com/states/arizona/>
- **CaptionCall:** call 833-691-1600 to order <https://captioncall.com>
- **ClearCaptions:** call 866-246-7850 to order <https://clearcaptions.com/>
- **Hamilton Captel:** call 888-514-7933 to order <https://hamiltoncaptel.com/captel-phones.html>

Smartphone Apps to Display Text

- **Big Note:** also has speech to text capabilities (iOS, Android)
- **Cardzilla** (iOS, Android)
- **Google Keep** (iOS, Android)
- **Sorenson Buzz Cards** (iOS, Android)

Miscellaneous

- **IP Relay:** call 800-676-3777 (V) 877-787-1989 (speech-to-speech) 800-676-3777 (TTY) 800-676-4290 (Spanish) <https://www.tmobileaccess.com/iprelayinfo>
- **Mobile TTY or real-time text (RTT)** - call 711 (iOS, some Android)
- **sComm (Ubi Duo):** typed face to face communication - call 866-505-7008 (V) 816-527-9079 (VP) <https://www.scomm.com/>
- **The Clear Mask:** <https://www.theclearmask.com/>
- **Sound Amplifier:** enhances environmental sounds through smartphone app [Sound Amplifier - Apps on Google Play](#)

National Conferences

Sponsoring Organization	Website	Time of Year/Location
ATIA: Assistive Technology Industry Association	www.atia.org/conference	Typically in Jan/Feb in Florida
CSUN: California State University Northridge	www.csun.edu/cod/conference	Typically in Feb/March in LA California
CTG: Closing the Gap	www.closingthegap.com/conference	Virtual with on-demand access
NAD: National Association of the Deaf	www.nad.org	Various – see “Events”
HLAA: Hearing Loss Association of America	www.hearingloss.org	Various – see “Programs and Events”
Deafopia	www.deafopia.com	Various – see “Events”
